THOMAS L. VAIL, C. S. C. (Pr. adv. \$6 80) VALUABLE PLANTATION AND OTHER LANDS

In accordance with the will of the late Samuel Eborn, the Subscribers offer for Sale that Large and Valuable Farm, situated in the lower part of Beaufort County, on which said deceased lived and died. It is well known as the former residence of Hon. Henry S. Clark, and as one of the finest Farms in the State. It contains EIGHT HUN-DRED ACRES OF LAND, Five Hunored Acres of which are Cleared and in good farmer-like order. Of the Cleared Land, about One Hundred Acres are what is denominated good Upland, suitable to Cotton, Ground Peas and Cow Wilmington, Jan. 1st, 1856

Peas, Sweet and Irish Potatoes, Turnips and Root Crops in general, Wheat, Oats, Beans, Horticulture and Fruit. The LL PERSONS ARE HEREBY FOREWARNED remaining Four Hundred Acres of Cleared Land is rich

ALL PERSONS ARE HEREBY FOREWARNED THE FILLMORE PVRAMID Swamp Land, well drained, recently cleared, and under a fine state of cultivation. There is no better Corn Land in the J. P. NELSON, A. M., Professor of Mathematics and State, and it is easily cultivated. We believe that in natural | Iatural Science. fertility of soil, durability, and in number of bushels of grain produced by the acre, this land will not suffer in comparison with any in the State. The splendid crop now upon it justifies, in our opinion, this assertion. The overseer believes that the present crop of corn on the swamp land will yield, when gathered, from fifteen hundred to two thousand bar- paratory Department. Subsoil, giving, as experience on this farm proves, great durability to the land. This land is not liable to freshets. It is within a mile of Pungo River and Pantigo Creek, and twenty-eight miles from Washington on the main public road leading from that town to Hyde County. Sea vessels load and unload within a mile of the premises, thus rendering the surplus products of the farm easy of exportation to the best markets of the country. The waters of Pungo and tri-butaries yield fish in abundance. It is a first-rate range for stock, especially for hogs and cattle, in winter as well as

water wheels, centre discharge wheels, Barker's wheels, Two as good Wells of water as are in that section. The because your stomach is foul. Don't parade yourself around over shot wheels or under shot, or breast wheels, or any other houses have been constructed and the yards and shade trees be world covered with Pimples, Blotches, Ulcers, Sores water wheels in use, Circular or upright Saws, Grist Flouring Mills, Bolting Reels, Elevators, Smut Machines, Horse
Powers, Corn Crushers, Cotton Gins, Corn Shellers.

The world covered with Pimples, Blotches, Clears, Sores
arranged with good taste and architectural beauty, and the
farm is well laid off and presents from the house and to the
passer by a most beautiful appearance.

The world covered with Pimples, Blotches, Clears, Sores
and all or any of the unclean diseases of the skin because
your system wants cleaning. Don't show yourself about,
han, haggard, all caved in, because your stomach and bow-

ployment. I am versed in the various improvements.— As no one will purchase without examination, the overseer healthy activity which you can feel as quick as they are taken. were paid to those who pledged themselves accordingly. The proprietors of the patent are not going to lose this sum of money if they can help it. I have been informed that they have \$500,000 pledged to obtain a majority to obtain the monopoly. Will they be able to get this monstrous wrong fastened upon A physician was called, who decided that the only the country for another term by a special act of Congress ? If they do, our government may be set down as much worse than that of an abosolute monarchy. Such a scheme could not be carried out in Russia, or of a returning animation were shown, and the patient any of the European monarchies of the present day. The men who, for gold, would sell the liberties of the people now, are worse than Arnold. He had some temptation to commit treason; they have none,

and are without excuse. This patent has been twice extended already, and has been altered from its original meaning since the original inventor died and it has become an infliction to the community for the benefit of parties who never paid the inventor a single cent, and whose only object is to benefit themselves. It has now been in existence for a quarter of a century, and the people THE NEW CENT PIECES .- It appears that the have paid those who have owned it many millions of statement that no new cent pieces have been man- dollars, and now it is proposed to extend it for seven ufactured is a mistake. Congress passed a law au- years longer, during which period the people would thorizing their coinage, but neglected to provide for be taxed tens of millions more. The tax would have their isue. The consequence is that many of them to be paid by every man, woman, and child in the are now at the Philadelphia mint awaiting the order country. The people do not, generally, view this the size of a two and a-half gold piece, but somewhat house, ship, or boat, pays his share of such a tax, and "United States of America, 1856," encircling an 000 of tax to this monopoly for the present year .eagle, on one side, and a wreath enclosing the words Single individuals have paid from one to two thousone cent," on the reverse. There are no stars on and dollars in this city for the planing tax on the

less burdensome than the old ones. Congress will, if this monopoly is extended, will amount to more than would purchase, at government price, twice as much land as there is in the whole territory of Kan-THE RELATIVE RANK OF STATES .- The votes cast sas, and yet the press of our country, with the exat the Presidential election have demonstrated that ception of the Scientific American, is mum on the

this time. The people should arouse themselves to a thorough sense of the magnitude of the evil which this monopoly, if extended, would inflict upon the country. I know that many persons are watching Members of Total..... 235,484 238,975 Congress with keen eyes, to see how they will act Allowing one vote to every seven inhabitants, when the question is brought before them. The application for the extension of the monopoly should which is about the proportion in the Western States, be kicked out of the Halls of Congress like a football; and if the representatives of the people have any respect for themselves and the rights of the peo-

ple, this is what they will do with it. Chicago, Ill., 1856. S. J. R.

The Rumored Duel in Georgia. The rumor that the Hon. A. H. Stephens, of Georgia, had challenged B. H. Hill, Esq., one of the Fillmore electors of that State, has been confirmed by a card from that gentleman, which appears in the Augusta (Ga.) Constitutionalist of Wednseday last, dated Washington, the 12th inst. From this card it seems that the difficulty arose upon a question of veracity in regard to an engagement to discuss the issues of the recent election contest. In addition to the ill feeling thus generated, Mr. Stephens alleges The St. Louis Intelligencer thinks the stories of that Mr. Hill made certain false statements of the contemplated slave insurrections in the South and purport of speeches delivered during the campaign, West, are either wholly untrue, or else grossly ex- wherein himself and Mr. Toombs are represented as aggerated. It thinks so, because of the entire ab- having "cowered" under a charge of treason to the sence of any of those causes which generally pro- whig party. These matters Mr. Stephens notices

Down he comes the 'ill mo e distinguished for gallantry in the field than for with the sharves a dangling all about his legs-knocks | the care he lavished upon personal cleanliness Coma butcher's cart into a linendraper's shop-hangs plaining on a certain occasion to the late Chief Jusagin a carriage and pair, and smashes the panel all tice B- of the suffering he endured from rheumato bits-upsets a feayion, and if he 'adn't a run up tism, that learned and humorous Judge undertook to

"You must desire your servant," he said to the General, "to place evey morning by your bed ide a tub three parts filled with warm water. You will then get into the tub, and having previously provided yourself with a pound of yellow soap, you must rub your shole body with it, immersing yourself occaof an hour the process concludes by wiping yourself dry with towels, and scrubbing your person with a

flesh brush." "Why," said the General, after a few minutes' reflection upon what he had just heard, " this seems to me to be neither more nor less than washing your-

self!" "Well," rejoined the Judge, "it is open to that ob-

IMPROVED PADDLE WHEEL - During the last few Our markets have been active during the week and months, an interesting trial of a new paddle-wheel, sugars of the lowest classification have advanced a (Wm. H. Muniz's patent,) has been in progress, on fraction, as will appear by the reports herewith, the steamer "Neptune," of this port, with decisive Shipments of the week 21,000 boxes, including about results. The owners of the boat report that they 11.000 to the United States; stock on hand 75,000 " have been able, with the improved wheel, to do the boxes, contracts for new crop cover over 50,000 box- same work at towing with fifteen pounds of steam, es at \$5 50 to \$6 per quarter, with large cash ad- that previously required twenty-five pounds," and that the performances of the boat "have far exceeded the calculations of the many experienced steamboat owners who knew her qualities prior to the time when the new wheels were attached." On a trial trip of fifteen miles, designed to test the merits of the new invention as compared with the ordinary radial wheel, an average speed of 71 miles per hour was made in both instances, but with 5 1-5 less number of revolutions of the patent wheel, -equal to 19 1.5 per centum of gain on the revolutions. The paddles are shaped like a pair of spread wings, giving them a pointed form, so that there is no concussion when they enter the water, and no "back water" is lifted. IN. Y. Journal of Commerce.

A correspondent of the New York Evening Post Buchanan. This opinion is, however, speculative, suggests the establishment of an academy for the eduand not derived from any intimation which has been cation of cooks, and suggests that \$100,000 would be a sufficient fund for the purpose. Not a bad idea.
